*May there be peace in the illuminated world,
in space, on the earth, in waters and in
herbs and plants. Gods of the world may be
in peace. May peace pervade the Supreme
Being. May peace be everywhere. May there
be only peace and nothing else. And may
that all pervading peace come unto me.*

O Lord! Protect us together, nurture us together. May we work together. May our studies be illuminated. May we not have discord. May there be peace, peace and peace.

May noble and healthy thoughts that dispel evil, come to us from all directions such that the infallible divine beings, who always protect us, promote our prosperity.

*O Lord! May we listen to what is good.
May we behold what is good. May we - of
strong organs and bodies - praise You, and
attain longevity suitable for humans.*

*O Sun, dispel the evil and
bring unto us what is good.*

पूर्णमदः पूर्णमिदं पूर्णात् पूर्णमुदच्यते ।
पूर्णस्य पूर्णमादाय पूर्णमेवावशिष्यते ।

*The Supreme Being is complete.
This world is complete. This complete
world has emerged from the Complete.
With this complete world removed from the
Complete, what remains is also Complete.*

*Everything in this changing world
is transitory and is pervaded by the
Divine. Enjoy the material world
with detachment. Do not covet,
for wealth remains with no one.*

*May we follow the noble path
as the Sun and the Moon do.

with the generous, non violent
and knowledgeable people.*

May we walk together, speak together and may our minds contain similar purport. Just as deities since ancient times cordially accept only the oblations set aside for them, may our fundamental thoughts and consultations be harmonious. May our hearts and minds be similar. May we have same prayers and offer the same oblations. May our decisions, our emotions be harmonious. May our minds experience harmony and joy.

*May all be happy.
May all be healthy.
May all see good.
May no one be unhappy.*
